

# Auction Packet

*A historical event hosted by the Auxiliary to United Hospital Center*

This year nothing is normal. It is with the community's safety in mind that we have **reimagined** the Holly Ball.

Along with a unique **"at-home experience,"** we will be offering an exclusive **online silent auction**. A large portion of our fundraising efforts come through our auction. We are pleased to offer guests the chance to bid on a wide variety of items. Our dedicated committee members seek these items for our auction and it is through the support of a business like yours that enables us to have a successful auction and event.

All proceeds from the Holly Ball **reimagined** event will support a newly created partnership with UHC and the West Virginia University School of Nursing. This partnership will address the urgent need to enroll more nurses into the workforce quickly. The program will be housed on the 5th floor of the soon to be constructed East Wing. Your donation will enable the expansion of the school's program onto the campus of United Hospital Center.

We understand that you are approached to support many organizations. We ask you to consider joining our efforts and the future at United Hospital Center.

Thank you for considering our request. A committee member will follow-up shortly. Please contact Lora Edgell at 681-342-1455 or Denise Steffich at 681-342-1640 with any questions. Additional details may be found at [hollyballwv.com](http://hollyballwv.com).
